

Statement of Vehicle Compliance

Electric Vehicle (EV)

This form must be submitted with the relevant Log Book Application, or where the vehicle is not subject of a Motorsport Australia Log Book with the Event Entry

EV Details

MAKE _____ **DATE OF MANUFACTURE** _____
MODEL _____ **MM - YY**
VIN/CHASSIS NO. _____

Competitor

I am the competitor of the vehicle described on this form (vehicle) and hereby declare that the vehicle EV components, equipment and systems have not been modified in any way and comply with the manufacturer's specifications.

I further declare that I:

- have provided the Event Organiser with the relevant EV Emergency Response Guide and briefed them on any specific EV conditions that are relevant to the vehicle; and
- will be responsible for all EV charging compliance requirements and conditions as required by Motorsport Australia and the Event Organiser.

I acknowledge that I may be subject to penalties under the National Competition Rules (NCR) if the Chief Scrutineer determines that any aspect of the vehicle or related equipment and components:

- breaches the NCR and/or the Regulations of the Event; or
- the EV components, equipment and systems have been modified in any way.

EV Inspector

I have undertaken an inspection of the vehicle and declare that I have been fully briefed by the competitor on all aspects of the modifications undertaken to the vehicle for Motorsport Australia competition purposes, and I am satisfied that the vehicle EV components, equipment and systems have not been modified and comply with the manufacturer's specifications.

I declare that I hold a relevant Electrical Industry qualification or that I am a representative of the vehicle manufacturer authorised to make this declaration.
